

Middle School Boys Cross Country 2nd Place Overall

On February 1st the boys and girls middle school teams competed in the Bermuda School Sports Federation (BSSF) interschool cross country meet. We are happy to report the Boys team came in 2nd place overall! We haven't finished updating all of our sporting archives but we believe this is the best finish we have ever had for a Somersfield Cross Country team! Other schools competing included Sandys, Warwick, MSA, BHS, Saltus, Dellwood, TN Tatum and Clearwater. Congratulations to the whole team shown above and our only two girl runners Sammy Dill and Hannah Horsfield. Shown above from left to right back row: Sammy Dill, Michael Betetto (5th in the Over 13's), Hannah Horsfield, Zachary Suazo, Rory Caslin, Jahmai Small, Jacob Greene. Front row: Cherian Yit, Tyler Smith (2nd in Under 13's) and Ferdinand Arnold.

M5 Personal Project Fair

Please keep an eye out for the Personal Project Newsletter being published next week. The event went off without a hitch and had some fantastic support!

2011 Somersfield Cross Country

Thank you to Tracey Murphy for sending in this wonderful collage of pictures from the middle school cross country team!

PTA Meeting February 24th

Let's **CONQUER**
Kids' Cancer

www.StBaldricks.org

Toby Gibbons is once again shaving his head to raise money for children with cancer. His profile on the St. Baldrick's website says: 
"This is my third year doing St Baldrick's. I am very lucky as I do not have cancer and neither does any one in my family. I hope you don't either. Some children aren't that lucky and we can help them." <http://www.stbaldricks.org/participants/mypage/participantid/419747>

Carl Cloake MYP Science Teacher

Have you met Mr. Cloake? He joined us in January and came to us from Langley, British Columbia (just outside of Vancouver). Mr. C has an Honours degree in Physics and Computer Science from the University of York (U.K.) and is currently working on his Master's Degree in Education and Technology at Simon Fraser University in British Columbia. Mr. Cloake has assumed full responsibilities for M2 and M3 Science and has teamed up with Ms. Tatem in the Physics and Chemistry units at the other grade levels.

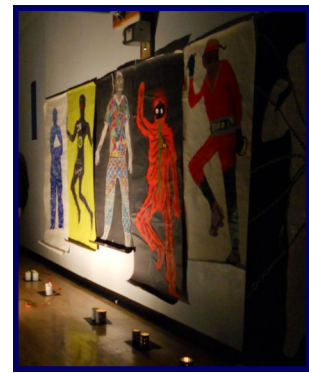

Son et Lumiere

A huge thank you to all those who came out in support of our MYP concert evening on February 3rd I felt the students played tremendously well and I was especially proud of the way they conducted themselves both on and off the stage. It also meant a lot to see staff there who came to show support for our students and an interest in our artistic endeavors.

Congratulations to all of the students involved in the evening show: Alexander Miranthis, Alex Rego, Conor Lohan, George Hajjar, Reem Bushara, Camila Papadopoulo, Daylon Johnston, Kilian Rentrup, Shamar Morris, Jahdae Trott, Niki Buechal, Lara Hall, Jai Trott, Jathniel Omara, Leah Amaral, Savannah Stubbs and the MYP Band.

Many thanks to Ms. Williams, Mrs. Troake, Mrs. Kempe and Mrs. Hall for organizing drinks, nibbles, and sales on the night; to Mr. Cloake for his CD distribution skills and to Mr. Fountain and Mr. Palmer for facilitating the presentation of the art work.

A special thank you to Summer Wood and the M5 students for your artistic contributions – they added enormously to the ambiance of the evening.

Fraser Dodd MYP Music

Shakespeare Practice

Thank you to all the teachers for supporting our drama workshop on February 1st!

Students from Saltus joined Somersfield students in teamwork exercises and rehearsals. We received a lot of positive feedback from the students, and the Royal Gazette also came by to take photos and interview students. In the

picture you can see the students collaborating on how to pick up Mr. Judd safely in a team building exercise. Thanks to Melissa Brough and Charlie Judd for organizing and being so brave!

Volunteer Opportunities!

Yearbook

We are behind on the yearbook production for our 20th Anniversary 2010-2011 edition. Please email pta@somersfield.bm if you are interested in learning how you can help make the yearbook happen. If you have any pictures of events at the school since September 2010, please bring them to the school to upload them on to our photo drive. We do have people to organize the yearbook but it takes a great deal of volunteers, time and effort to pull it all together. Please consider volunteering for this very important initiative. You can see Ms. Williams and Mrs. Kempe to learn more about the project!

The 20th Anniversary
Parent Social will be held
on March 12th.

Please save the date and look for more information

May 24th Float

We would love to enter a float in the 2011 Bermuda Parade. Would you? We entered our first float in 2009 and had a fantastic team of volunteers. We hope you can join us again this year! If you are interested in being a part of the float team (details below) please email Mrs. Troake and Ms. Williams advancement@somersfield.bm.

Design Team - artists and creative people to create our theme. Combing our Somersfield 20th Anniversary and the Bermuda Parade theme "Heritage Through the Eyes of the Artist"

Building Team - carpenters and handy men to build our float

Decorating Team - friends and family to glue the flowers and fauna and decorate the float

Parade Team - friends and family to be a part of the parade (we will have staggered blocked times this year so you don't have to do the entire route).

Primary Boys and Girls Tag Rugby
Congratulations and a BIG THANKS to the coaches!
