

Robotics Team

On Friday, November 25th Evan Farrow, Ryan Stocek, Jonathan Moore, Robin Horsfield, Adam Pimentel, Sam Mello, Joshua Irvine, Joshua Kirk and Mackenzie van Zanden, along with Mr. Brown and Dr. Dorte Horsfield, went away to represent Somersfield in a robotics competition.

Somersfield Academy **WON** the robotics competition, 1st out of 19 teams present. It was a very proud moment for the boys. This was the 'showpiece' competition of the day - everyone was present and excited and they even had some roaring anonymous fans!

The students also **WON** the innovative solutions awards, as well as the Rookie of the Year (team of promise) award.

The boys were all ecstatic as this was an INCREDIBLE result that certainly was not expected. Truly historic for Somersfield and Bermuda.

Congratulations to Mr. Brown, Dr. Horsfield and the boys on this wonderful achievement!!!!!!

The 2011 Bermuda Optimist Green Fleet Clinic was held on 11th, 12th and 13th in the Hamilton Harbour and it included dry-land talks and racing.

There were 31 children competing, including 4 from overseas. There were 5 children from Somersfield in this event.

Felix Cutler, Jason Comber, Jordan Etemadi, Leyli Walker and Adam Larson (not in picture). These five children did really well considering the windy conditions and also since it was the first time for most entering such competition. Felix placed 10th. Jason, 25th, Jordan 3rd, Leyli came 11th and Adam came 16th.

It was a fun learning experience for all of them.

The 2011 Open Opti Sailing Championships took place on November 11th, 12th, and 13th and Rory Caslin is now the 2011 Bermuda Opti National Champion. Racing was cancelled on Friday due to the weather but there was good wind Saturday and Sunday. Rory left it until the last race on Sunday to come from behind and take the trophy.

Congratulations Rory!!!!!!!!!!

Leah Smith visited Bradenton Florida this summer to participate in the Nick Bollettieri IMG Tennis Academy Camp for the week of August 1 - 5, 2011.

Leah did very well at the camp, winning a "Total Athlete of the Week" Award.

The message that advised Leah's parents of her success read as follows: "This is a very prestigious honor, and we encourage you to share the link with any family, friends, former coaches, etc".

Congratulations Leah, keep it up!!!!
